RoadSafe Traffic Systems — Paint Claim Form

322 Rocky Road, Hazleton, PA 18201 | Tel: (570) 990-1855 | Email: akokinda@roadsafetraffic.com

Description of Paint Damage (include lane, direction, and any traffic control present):

Claimant was stopped at the red light in the designated left-turn lane on Hercules Road and then turned left onto Newport Gap Pike (DE Route 41). While stopped, claimant observed one or two pavement-marking vehicles traveling northbound away from the intersection. Small cones were observed along the median/yellow-line area; no flaggers or other personnel were visible. Claimant proceeded directly to BJ's in Elsmere, where white pavement-marking paint was discovered on the vehicle. Documented contamination includes the right-front tire and wheel area, fender liner and moldings, passenger-side mirror and lower body/trim, running board, passenger-side painted surfaces, and the right-rear wheel-opening area. See supporting chronology, location diagram, photographs, and repair documentation.

Vehicle Information (if applicable)

Make/Model	Honda Ridgeline Black Edition AWD
Year	2021
License Plate	C111971
Vehicle Color	Black
Approx. Speed at time	Stopped at red light; then normal low-speed left turn
